

# I HEAR YOU'RE LOOKING FOR A **PHOTO BOOTH**

We're a fun, socially engaging and interactive experience that your guests are going to love!

Who is  
Smash Booth?

Why Smash Booth?  
Because we're  
**AWESOME!**  
That's why.

# A LITTLE ABOUT OUR **PACKAGE**

**Every package includes:**

- At least 2 hours of non-stop, unlimited photo booth fun.
- Your choice of either two 2X6 photo strips or a single 4X6 strip, beautifully personalized to your celebration.
- A fun, friendly photo booth host
- Fun & awesome photo props
- A link to download all your photo strips

# mad PROPS

Every rental includes a standard prop bundle including lips & mustaches on sticks, hand-held signs with misc. phrases and boas.

## GLASSES PACK

Nothing adds variety to your photos faster than 25 pairs of ridiculous glasses. The only choice when mastering the "quick change" between shots.

## HAT PACK

Add at least 25 unique and fun hats to your Smash Booth rental! All cleaned, sanitized & ready for some hilarious photos!

## ANIMAL PACK

Our newest & most popular prop upgrade is the Animal Pack. They're unique, fun, and well, a little creepy. Perfect masks for any formal event!

# ADDITIONAL **AWESOME**

## Flash/USB Drive

Want something more than a download link?  
Want super high resolution copies of every photo taken (not just the photo strips, but also EACH photo seperated). If anxiously shaking your head "yes", than this is what you're looking for!

## MORE PRINTS

Make sure no one's left out!  
Instant prints are included in our standard photo booth package, but if you need us to print extra copies to make sure everyone in the booth gets a copy, let us know you'll be needing the more prints add on.

## Memory Album Guest Book

Everyone absolutely LOVES our memory albums!  
Seriously, stop right now and head over to Yelp. You're going to find a ton of brides raving about the beautiful book we put together.

If you're getting married, graduting, or celebrating a landmark birthday, you NEED this add on.

# AWESOME

## SOCIAL MEDIA SHARING

#hashtag  
printing

Are you ready for #Hashtag Printing?  
This is an AWESOME feature that encourages your guests to use your # by rewarding them with a physical print sent from their phone, to our photo booth!

1. Snap a Photo
2. Tag the Photo on
3. The Photo Prints.

**I know, it's like effin magic, right?**

Each image is printed on a beautiful 4X6 personalized to your event.

Prints are AWESOME (our fridges are COVERED) but we're living in a digital age. Everyone wants their photo on their phone so they can, #BestWeddingEver all over Facebook, Twitter & Instagram. DON'T make your guests use their phones to take a photo of a photo (yuck) to share your event! Share with style, instantly.

## ANIMATED PHOTO STRIPS

Can I just say that I LOVE the Smash Booth Animated Photo Strips?!

What a super fun way for your guests to share photos from your event! I'd love to show you one now, but, you know, PDF. But if you'd like to see a few examples, head over to Instagram and search #SmashBooth & #AnimatedPhotoStrip. They're AMAZEBALLS!

# ADDITIONAL **AWESOME**

## Slide Show

Add a second monitor outside the photo booth to display all the photos from the evening to share with everyone!

## CLASSIC STRIP VS POSTCARD STRIP

You no longer have to choose one or the other!  
Allow your guests to choose with each session!
